RE: Sole Source Providers – Repair/Refurbishment of Heavy Equipment

The Local Government Code, Chapter 262.024(a)(7)(D) provides that Commissioners' Court may by order grant an exemption from competitive bidding requirements by accepting a statement of the existence of only one source from the Purchasing Agent and if approved enter into its **Minutes** the results of the vote taken.

Accordingly, I am certifying that per the attached memo from Public Works which lists the current heavy equipment manufacturers that are owned by the County and that the authorized service providers for these heavy equipment manufacturer's located in the Dallas/Fort Worth metroplex be the sole source providers of OEM repair and/or refurbishing.
